

The Hamptons Spring 2022

Greetings from Montana! It is hard to believe that we are already four months into 2022. Most of the snow has melted and signs of spring are in the air. 2021 ended strongly with our best average attendance in December. We had a candlelight service Christmas week with 70 in attendance, ten of those were first time guests and now several of those are attending our weekly services. Now our attention has turned to the many activities planned for the spring and summer months. Please pray with us that each event and every effort put forth will bring honor to God and result in souls being saved.

In March of last year, we sent out an appeal letter to ask you to help us raise \$300,000.00 to go toward the purchase of property and buildings. God's people have been so generous and the outpouring of your excitement was obvious. To date we have received \$181,500. We are still hoping and praying to raise the other \$119,000.00. We are so thankful for every gift and thus far about 160 different churches and individuals have helped. If you have not given, it is not too late. We originally put out the challenge for 300 gifts of \$1000. While there were several in that amount there were some that were more and some less. Any amount you give will help us to pay down on our building and move us closer to the goal of being debt free.

We are so excited to see how God is moving in the hearts of people here in Montana. It is with great anticipation that we look forward to what God will accomplish here in the community He has called us to. As I Corinthians 3:7-8 reminds us, "So then neither he who plants is anything, nor he who waters, but God who gives the increase. Now he who plants and he who waters are one, and each one will receive his own reward according to his own labor."

Thank you for laboring with us.
