Ways to support:

Thank you so much for your prayers and financial support.

If you would like to mail your tax-deductible gift:

P.O. Box 5002
Antioch, TN 37011
877-767-7674

Be sure to mark your gift "Weaver Account."

You can also give online by going to www.fwbnam.com/ **Planting#VA** and click on our name.

Hello Friends,

I pray this finds you doing well. I know God is good whether things are going good for us or not. We thank God for His blessings and for things at church and home going so very well. We have had a great start to the year. This is the first year we have not had to cancel any services because of snow.

There have been a few new families to join the Awana kids program this year. A few other families bring their kids to Awana club on Wednesdays but don't attend on Sunday morning. We are praying we can continue to reach these families and bring them into the church family.

Easter Service went well with a great meal afterwards. There were a few new families in attendance. As always, the kids loved the egg hunt. It is so nice to have a place of our own we use for so many ministry opportunities, even hiding eggs.

I would like to share a personal prayer request with you. As many of you know, our oldest daughter Anna Leigh had two major skull surgeries very early in her life. We also knew the day would come that she would need at least one more. That day has come on us rather quickly. She usually gets a review every year, sometimes with a head scan. This year after her scan in March the neurosurgeon and plastic surgeon believe now is the time. This is also another major surgery with cutting, moving and reshaping parts of the skull. We do not take this lightly in asking you to please pray along with us for her (she is in the pink dress in the photo above). Her surgery date is May 4.

The Lord remains faithful through all the challenges and changes we face in life. Life is always changing; I'm so thankful God does not. God continues to bless and do a great work. We are so thankful to be a part of it. Thank you for your partnership of faithfully praying and sacrificial giving to the work in Winchester, Virginia. May God richly bless you!

For God's Kingdom,
THE WEAVER FAMILY
Jason, Holly, Micah, Anna Leigh and Abby
