Greetings,

This past year here at Free Will Baptist North American Ministries, our prayer and challenge to our fellow Free Will Baptists has been that we would all be willing to gather, give, and go! We have been praying that our people would have willing hearts to do all that we can to answer God's calling to take the Gospel across the street, across the country, and around the world. We thank the Lord for the progress that has been made and trust Him for even greater things in the next year.

In just a few weeks, we will celebrate the Mission North America Offering. **November 19, 2023 has been set aside by Free Will Baptists to give generously for the support of the many ministries which fall under the umbrella of North American Ministries.** Our goal for this year's offering has been set at **\$750,000**. We are asking our churches and individuals to prayerfully ask the Lord what He would have them do to help us reach this goal.

We are sending you this packet of materials to help as you promote the offering among your people. We have included a 2023 Directory, a poster promoting the offering, a church planter map, a sticker, bulletin inserts, and a list of prayer requests for the Pre-Thanksgiving week of prayer. We are also including an article giving you more detailed information as to how your support helps NAM. We trust these materials will help you as you challenge your people to give sacrificially and generously. May we all be willing to gather, give, and go. You can request additional materials (**before November 1, 2023**), access digital resources, and download video testimonials of how your gifts are making a difference at www.fwbnam.com/mna.

Thank you for all you are doing to help build the Kingdom. As each of us is willing to do our part, I believe the Lord blesses, and we all are able to see His hand at work. Thank you in advance for your generous offering to help us reach our goal of \$750,000. Your gifts help to strengthen and expand the home base so that we as Free Will Baptists can continue to reach those in North America and around the world who have yet to hear a clear presentation of the Gospel.
